

**PATH
KEEPER**

The image features the title 'PATH KEEPER' in a highly stylized, 3D font. The letters are a vibrant yellow-gold color with a thick, dark green outline. They are covered in patches of bright green moss, particularly on the top and bottom surfaces. Small, sprig-like green plants with multiple leaves are growing out of the letters, especially from the 'P', 'A', 'T', 'H', and 'K'. The overall aesthetic is whimsical and nature-themed, set against a plain white background.
